ROCK MANOR GOLF COURSE

April 2nd, 2025

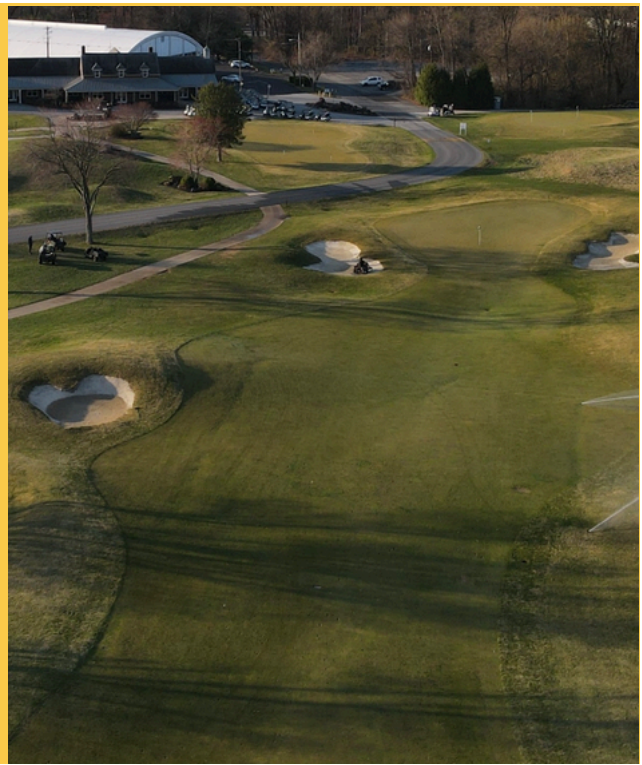

Events to Look Forward to:

Some upcoming events to look forward to:

- **April 5th: Rock Cup**
 - Starting off the Rock Association with its first event, The Rock Cup. Good luck to all those participating!
- **April 7th: Spring Greens Aerification**
 - The course will be closed all day due to aerification, but our range will still be open. Normal playing hours will begin again on April 8th.
- **April 10-13th: Masters Tournament**
 - Join us in the dining room as we watch the Masters Tournament all week! Will Scottie Scheffler defend his champion title? Come for the golf, stay for the excitement!
- **April 22: Earth Day**
 - Celebrate Earth day by coming down and playing a round!

Pro Tip – #9

A tee-shot down the right-hand side of the fairway followed by a downhill short-iron will set the conservative golfer up for a simple wedge shot into this 500-yard par 5. The aggressive player might choose to play a draw starting just left of center to catch the downhill slope for a chance to get home in two.

Rock Updates

- We have an upcoming project tentatively scheduled for the beginning of July – resurfacing the range tee. This will restore the health of the practice area making it even more enjoyable for all!
- Range clean picks will be starting back up on Tuesday, 4/8, so the range will be closed from Tuesday at 3PM until Wednesday morning at 10:30AM*.
- **Please make sure we are checking in at the pro shop and filling out the cart liability form.**

*Times subject to change depending on Agronomy crew.
