ROCK MANOR GOLF COURSE HAPPY 2026!

DEAR MEMBERS OF ROCK MANOR,

What a pleasure it is to be writing this email to you! With the unfortunate series of winter weather, I know I am speaking for most of the management staff here when I say we miss you all dearly. From shouting “hi” as I walk through the Pro Shop to having a quick chat while you’re sitting at the bar after your round, the quiet around the property has been... a little too peaceful.

While we may be buried in snow at the moment, the Rock Manor management team has been working tirelessly behind the scenes to ensure 2026 is shaping up to be an outstanding year for all of our guests. Even though the course may be closed, the work never stops—and we are excited about what’s ahead.

Over the past few months, we’ve been focused on improvements across the property, strengthening our team, and building a golf and dining experience that continues to make Rock Manor a place you’re proud to call your home course. From course conditions to customer service, we are committed to delivering the best possible experience every time you visit.

NEW FACES

We’re also thrilled to welcome a few new faces to the Rock Manor family! For those of you who aren’t exactly “winter warriors,” you may not have had the pleasure of meeting our new **Superintendent, Jim Elliott**. Jim has been in the golf business for 35 years and is a fantastic addition to the Rock Manor team. He joins us from Deerfield Golf Club, and we’re excited to have his experience and passion leading the way on the course this season!

In addition to our new Superintendent, we also have a new Food & Beverage management team in place. Supporting the kitchen and helping bring fresh, creative menu options to Rock Manor, we’d like to introduce our **Kitchen Manager, Bailey Flack**. Bailey joined us last month, so be sure to stop in and say hello!

Alongside Bailey, we have a new **Lead Bartender, Julinna Lowicki (Juls)**, joining us from Delcastle Golf Club. Juls has already been elevating the Pub experience by creating one of the warmest and most upbeat environments around. Make sure to stop in, grab a drink or a meal, and see it for yourself!

ROCK MANOR GOLF COURSE HAPPY 2026!

2025 TO 2026... WHAT TO EXPECT

In 2026, we've decided to make a few changes to the structure of our 365 Passes. Before you start scanning this newsletter to see what that means, slow down... I'll get there! Just bear with me for a moment while we set the scene.

Imagine it: 75 degrees, sunny with a little cloud coverage. A light breeze keeps you cool as you walk up to the first tee, coffee in hand, ready to stripe one right down the middle (or at least somewhere playable). The course is in great shape, the pace is perfect, and you're already planning what you're grabbing from the Pub after the round.

That feeling—that experience—is exactly what we want Rock Manor to deliver every single day.

To continue improving course conditions, enhancing the overall member experience, and investing back into the facility, we will be implementing a price increase to our 365 Pass memberships for the 2026 season. This adjustment will allow us to keep up with rising operational costs while continuing to provide the quality of golf and service you expect.

We truly appreciate your understanding and continued support as we work to make 2026 the best year yet at Rock Manor.

Now... let's get into what's changing.

ROCK MANOR GOLF COURSE HAPPY 2026!

TO FINISH MY LETTER,

I truly can't express how grateful we are for all of the amazing members here at Rock Manor. Your support means the world to us, and we are already counting down the days until the 2026 golf season is here!

In the meantime, while we wait for the snow to melt and the course to wake back up, don't let those clubs collect dust! Book a lesson with Tom, stop by the simulator, or even take a few practice swings in the garage, anything to keep that swing feeling fresh.

We appreciate you all more than you know, and we can't wait to share even more exciting opportunities, events, and ways to be a part of the Rock this year.

Wishing you all a happy and healthy February... we'll see you soon!

Kimber Shallock
