ROCK MANOR GOLF COURSE HAPPY APRIL!

DEAR MEMBERS OF ROCK MANOR,

Welcome to April! We're thrilled to see the temperatures rising and the tee sheet filling up... it's a great sign of the season ahead.

As a reminder, some membership pricing adjustments went into effect on April 1, with additional updates scheduled for June 1. As mentioned in my previous newsletter, our leadership team has spent the offseason focused on enhancing the overall experience at Rock Manor—making improvements across the property, strengthening our team, and continuing to build a golf and dining experience you can be proud to call your home course.

In this edition, we'll walk you through some of those updates, share a few words from our team, and address any questions or concerns along the way.

A NOTE FROM OUR HEAD GOLF PROFESSIONAL, NIKITA ROMANOV:

"As we head into the 2026 season here at Rock Manor, I couldn't be more excited about what's ahead. There's a great energy around the course right now, and it feels like this is going to be one of those seasons that really stands out.

We've continued to focus on improving our course conditions, daily operations, and overall experience, with the goal of making each visit as enjoyable as possible. Whether you're working on your game or just getting out for a casual round with friends, there's something special about being back on the course this time of year.

While I can't promise that every drive will find the fairway or every putt will fall, I can promise that my team and I are committed to delivering a great experience every time you come out. We're looking forward to seeing you at the course and being part of a fantastic 2026 season together!"

ROCK MANOR'S LEADERSHIP TEAM

With the addition of some great new team members, introduced in my last letter – Jim Elliott (Superintendent), Bailey Flack (Kitchen Manager), and Julinna Lowicki (Head Bartender) – we're excited to keep building a strong team across the board.

We've also had some familiar faces return and a few well-earned promotions.

Rob and Nikita are both still here. Yay.

Jack Sullivan is back as our Assistant Golf Professional. Jack played a large role in helping bring some much-needed organization to the 2025 chaos. While he tried to get away last offseason, we are thrilled to have him back! Rumor has it he missed Charlie too much.

Frank Sokalski steps into the Assistant Superintendent role, giving our Agronomy team great depth and Jim a reliable right-hand man who already knows The Rock inside and out.

Elliott Scott has taken over as Assistant Teaching Professional. Whether you're looking to refine your swing, dial in your equipment, or simply grow your love for the game, Elliott is excited to work with you and help elevate your golf journey at Rock Manor.

And lastly—me! After a little over five years of wearing just about every part-time hat here and working my way through roles as Outing Sales Director and Assistant General Manager, I'm excited to now be continuing my time at Rock Manor as Director of Operations. I'm incredibly grateful for the journey and even more excited for what's ahead!

A COUPLE OF THINGS TO MAKE NOTE OF:

- **New Food and Beverage Menu.** We took the time to fully breakdown and redo our food menu and our cocktail list. We now are featuring entrees and a different take on transfusion cocktails!
- **Bunkers.** Our agronomy team has been slowly filling the bunkers with new and fresh sand! You'll see the greenside bunkers have already been done.
- **Flags.** Our pin flags have been replaced from all black to red, white, and blue flags.

TO FINISH MY LETTER,

I can't express how excited the Leadership Team at Rock Manor is for the 2026 season.

If you have any questions or concerns, be sure to track Nikita (or myself) down!
